

## Seventh Grade Sci-ber Text

Utah's Seventh Grade Integrated Science focuses on the theme of "structure". Sci-ber Text was developed by Seventh Grade Science Teachers. These pages are for you to have fun on-line inviting you to explore science. Pages may be accessed at home or during science class. Sci-ber text includes reading, photos, animated pictures, fun activities, interesting labs, and movies. Each page can be printed easily using the "print this page" .pdf link from the bottom of each page. Remember that printing a.pdf file requires Adobe Acrobat

Your browser will require the quicktime plug-in. If you do not have it installed, please download and install it before you continue.

Tabs at the right link between "chapters" of Sci-ber text. The first page of each chapter lists the pages you will visit in that chapter. Buttons at the bottom of every page direct you forward or back. The 7th Grade Integrated Science logo (as seen at the top of this page) returns you to this page.

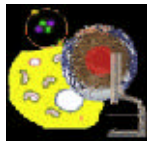

Throughout sci-ber text, watch for the "try-it" icon.

These indicate fun, safe activities **when the directions are followed**. Enjoy them! Along with activities, there are icons that are links to the [safety pages](#) to help keep you safe!

Watch for the schools2careers(\*) logo. It designates jobs that relate to a subject.

A [site map](#) is available so you may continue from where you left off previously. **Now let's go have fun!**

[Print this page](#) in Adobe Acrobat format.
